Robert H. Pasternack
Senior Vice President
Special Education
Voyager Learning Company

Dear Dr. Pasternack,

Congratulations! We are pleased to inform you the Executive Committee of the Council of Administrators of Special Education (CASE) has voted to again endorse your products: Vmath, Passport Reading Journeys, and Voyager Passport. These programs all met the criteria on the CASE Rubric for CASE product endorsement, and therefore carry an official CASE Endorsement for three years.

The CASE Executive Committee thoroughly reviewed the recommendations of the Publication and Product Review Committee, asked many questions and held a good discussion at our Executive Committee on July 19, 2009. They unanimously agreed to again give your products the CASE endorsement.

Thank you for bringing your products to the attention of special education administrators, assisting them to more effectively perform their duties in helping students to achieve.

Sincerely,

Emily Collins
